Staff Reports and Updates

- King Street Bike Lane Concept
 - Presented to Taylor Run Civic 6.12.13

BEFORE

AFTER

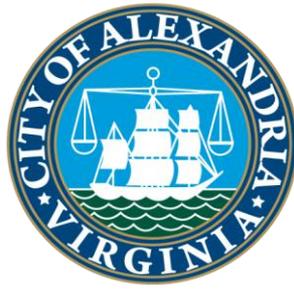

No Parking Removal
4' Bike Lane - Remove Parking

King Street Bike Lane Concept

- Provides connection for cyclist to the King Street Metro from the new bike lanes on Janneys Lane
- 37 Existing parking on the east side of the street would be removed.
- On Average, less than 3 are being utilized.
- 17 spaces between Russell and Carlisle where house actually face N View Terrace
- The intersection of King/Callahan/Russell is currently being redesigned to promote pedestrian safety, which will also improve safety for cyclist.
- Adjacent neighborhood has under utilized parking for the displaced vehicles

Thank you
