This just came in from the Landlord and their attorney regarding parking.

Subject: RE: Mike's

Andrew, below is the revised language we propose for the relevant part of Section 33.1(c):

... Landlord shall provide parking for Tenant's patrons in the Building's parking garage during Tenant's hours of operation for not less than fourteen (14) cars or such other lesser or greater number as may be required under Tenant's special use permit for the Premises and the Outdoor Seating Area. Such parking may be provided on a "valet" basis, at Landlord's discretion. During the hours of Monday through Friday, 7 a.m. to 5 p.m., entry to the parking garage will be controlled, and Tenant's patrons entering the parking garage during such hours will pay the regular hourly fees therefor. From 5 p.m. to 7 p.m. Monday through Friday, entry to the parking garage will be controlled, however, Tenant's patrons entering the parking garage after 5 p.m. shall not pay any fee for the use of the garage. After 7 p.m. Monday through Friday, and during Tenant's business hours on weekends, access to the parking garage will not be controlled, and Landlord will hire a security guard or service, who will be positioned in the lobby of the Building, and whose job will be primarily to facilitate Tenant's patrons access to the garage through the Building lobby after hours and on weekends....

-Davia M. Love

And this is in the lease regarding the paid parking for the staff.

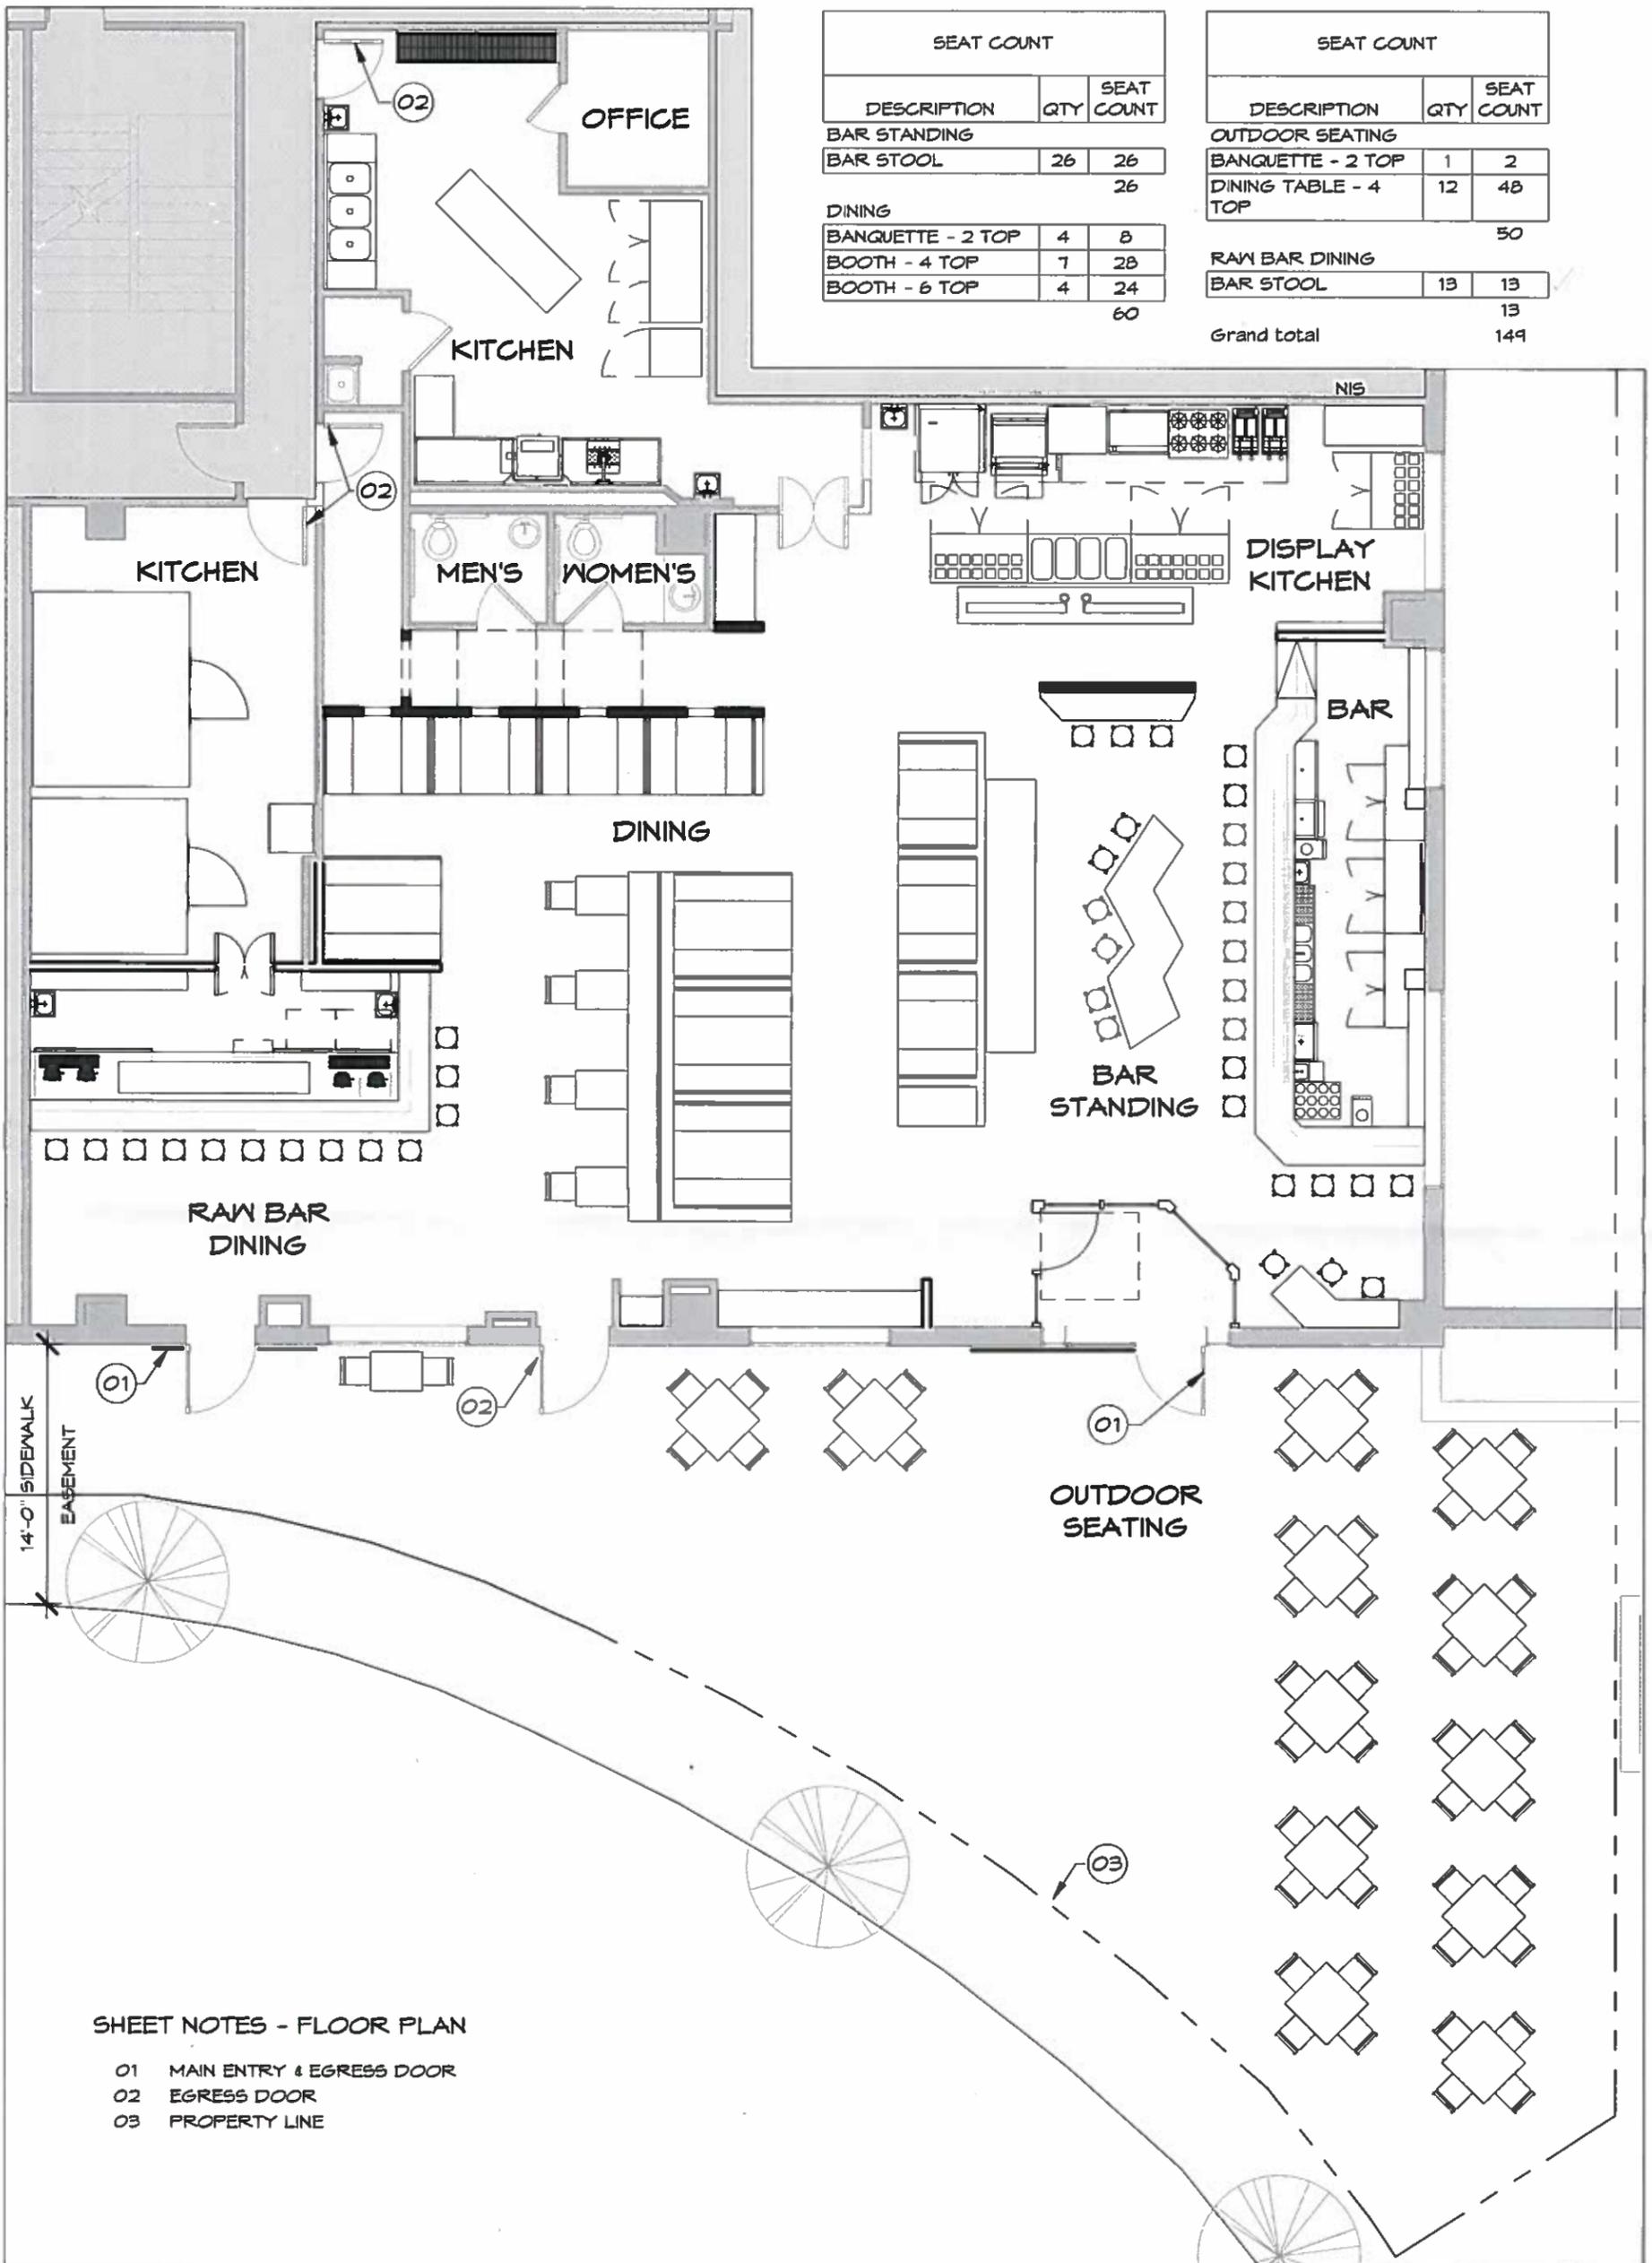

- a. At any time during the Lease Term, (l) Tenant shall be entitled to license from Landlord, or Landlord's parking garage operator, up to five (5) unreserved parking spaces in the Building's parking garage, providing access to the parking garage and the Building twenty-four (24) hours per day, seven (7) days per week, at the then-current market rate for the Building (as of the Effective Date, such rate is \$___ per month).

Thanks
