

PO Box 1294  
Alexandria, VA 22313

Honorable Mayor Euille, Vice Mayor Pepper, Members of City Council, and the City Manager –

The Old Town Business and Professionals Association embraces the opportunity participate in the planning for the City's waterfront. OTBPA believes that a vibrant, active waterfront betters the community for residents and businesses alike. Attracting new visitors and engaging current ones.

Enhancing and connecting the waterfront benefits businesses throughout Old Town and Alexandria from the river to rails as well as north and south of King Street.

We look forward to being a part of the planning process and welcome any assistance we can provide.

Regards,

Tara Zimnick-Calico  
President, OTBPA
