

Vision Zero Year 4 (Calendar Year 2021) Priority Items

The City's priority items for 2021 focus on safety countermeasures for the crash trends over the past three years. Staff plan to:

- Install streetlighting improvements (LED retrofits) at 10 locations
- Install 20 intersections with Lead Pedestrian Intervals (LPis) and coordinated No Turn on Red (NTORs) to prevent right turn and angle crashes at key locations
- Install left-turn crash mitigation measures on at least two high crash corridors
- Install one key sidewalk project near a school, recreation center, senior center, or transit station to improve safety and walkability
- Prioritize and improve 10 uncontrolled crossing locations with safety countermeasures
- Prioritize and install safety improvements at 20 controlled locations
- Conduct intersection audits at the top 5 KSI intersections in the City and install low-cost, quick installation improvements at each.
