

APPLICATION FOR NOISE VARIANCE PERMIT MUSIC & SOUND AMPLIFICATION

If you are planning to use sound amplification equipment on City property (streets, parks, etc.), or if your event is on private property but is open to the public, you may be required to obtain a Noise Variance Permit to operate sound amplification equipment in the City. If your event requires a City street to be closed, you will need approval from the Department of Transportation & Environmental Services Permits Section. You may contact them at 703-746-4035. Please contact the Department of Parks and Recreation for a permit to use a City park at 703-746-4343.

Please complete the following application below at least 10 days prior to the scheduled activity. Return completed application to the Department of Transportation and Environmental Services, Division of Construction and Inspection, 301 King Street, Room 4130 Alexandria, Virginia 22314, or Fax to: (703) 838-6438. The charge for an approved permit is \$20.
